

NATIONAL ROYAL RANGERS CONFERENCE

# LEAD 15

HOW CAN THEY HEAR?  
DALLAS, TEXAS • MARCH 12-14 2015

# LEAD15

## GREETINGS FROM THE NATIONAL DIRECTOR:

# HOW CAN THEY HEAR?

... And how can they hear without  
someone preaching to them?

**Romans 10:14**

Last March I sat at LEAD as I had done the past thirteen years. At that conference I knew major transition was coming to my life—although I had no idea it would be from that seat to the stage. In fact I'm kind of glad I didn't know. The past several months have been such a whirlwind it would have been a bit overwhelming to know then all I do today! The cool thing is that God knew. And as I think back over these past months He was speaking. At just the right times He would drop something in my heart, have someone share with me, quicken a Scripture, even cause a book to catch my attention. When we listen God is speaking!

Our theme this year asks "How can they hear?" Growing and grown men have all kinds of messages coming at them. Advertisements, media, friends, and culture, all have something they are saying and directly or indirectly influencing them similarly. Every Ranger leader is preaching a message. Consider the way you live, minister, react to circumstances, respond to others, and how you carry yourself. In so many ways we are preaching. What are you saying? Your message is loud and clear. Is it what you want to say? What is God saying to you?

Set aside these days in Dallas to not only come hear what the 'new guy' is saying, but to evaluate what you are saying to those around you. What is God saying to you? Let's come together ready to hear what God is saying to us!

How can they hear unless someone is preaching? We're preaching—let's make sure what we are saying is what we want to say, and that it's coming through loud and clear!

Looking forward to seeing you in Dallas!

**KARL S. FLEIG**  
National Director

LEAD15 will be a pivotal event in the history of Royal Rangers. This year we experience a strategic transition of leadership as Doug Marsh, former national director, returns his focus to Royal Rangers International and we welcome our new national director, Karl S. Fleig. We will have a time to meet Karl, ask questions, and get to know him. We are also planning a dessert reception to give each of you an opportunity to express your appreciation to Doug for the years he has served. Please plan to bring a card and gift from you or your district that can be given to Doug during this reception.

At LEAD15 we will have an opportunity to HEAR what God has been doing in Rangers over the last year. We will also make opportunity to HEAR what God is saying to us now. We have experienced several years of restructuring as this ministry has done the difficult work to become more effective to reach this current culture. As we move forward we strategically want to make sure we all understand the changes and are moving together as one. We have focused much on the programming of Rangers. This year we want to be sure to focus on the ministers of Rangers – you! Programming and structure are very important, but another critical part of Rangers is you, the leader! Come ready to be appreciated, and ministered to!

And of course there is business. Over the past months we have been working on ministry business and updates. We will roll out the completion of some items that have been promised over the past few years, elect new officers, and give you the first look at information for Camporama 2016. It's going to be a full conference! Please be praying now for our time together and make your plans early to be here!

# LADIES ACTIVITIES

## GREETINGS FROM CINDY FLEIG

### HI LADIES!

Whether you are married to a 'Royal Ranger man' or you are actively involved in the ministry yourself, I can't wait to meet you March 12-14, 2015, at the LEAD Conference in Dallas! I have been involved in Royal Rangers in one way or another since birth I think, and I love this ministry and the people that are involved with it! We have a very special opportunity to affect the future of boys in Christ in a way that they may be missing in every other area of their life...and that's awesome!

There are lots of fun things planned for our time together—opportunities to get to know each other, shop, have fun, shop, go on an excursion together, shop, be crafty, and of course to shop! There will also be giveaways (and we all love free stuff, right?)!

I look forward to seeing you all there! Let's get connected!

Blessings,

**Cindy Fleig**  
and the National Staff Ladies

**P.S. Bring a couple of old t-shirts (design on the front ok...but not too big) and some scissors for the craft! (We will have extras if you forget.)**
