

## Things To Pray About

- Pray for safety as Doug and Kerry travel extensively in itineration.
- Pray that the Marshes will be able to raise their monthly support and cash budget. \$3,500 in monthly commitments is required for living expenses and international ministry operations. Also, \$18,600 in cash will be needed for flights, household transfer, equipment, and supplies. To do this, the Marshes must rely on churches, Ranger outposts, and individuals to stand with them faithfully.
- Pray for the Royal Rangers ministry, and that new leaders will be developed in each Latin American country.

Training men to reach boys for Christ in Latin America

## National Frontiersmen Camping Fellowship President, Fred Deaver, says:

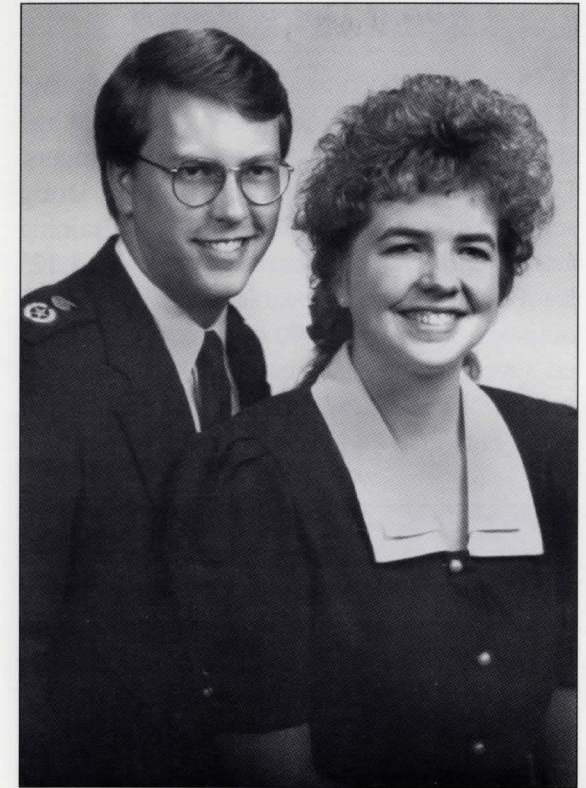

“Doug Marsh and I have been friends for many years. He’s a man of integrity and has a true vision for Royal Rangers in Latin America. Doug and I have served on many National Training Camp staffs together. I believe he’s the type of young man who will see the task through, and he is worthy of our support. Let’s get behind Doug and Kerry Marsh so the boys of Latin America will know Jesus. This is just another way we can reach, teach and keep boys for Jesus Christ.”

Since 1990, he has coordinated training activities such as Leadership Training Courses and National Training Camps in 18 Latin American countries, training over 1,200 men throughout Mexico, Central and South America.

## About Kerry Marsh

Kerry is the daughter of Christian school teachers in Kansas City, Kansas. She has hands-on experience, having fulfilled missions assignments in Honduras and Perú. Kerry has traveled and sung with *Vision*, of Trinity Bible College, and with *Revivaltime Choir*, of Central Bible College. Having trained college students in personal evangelism, her heart's passion is to win the lost, one-on-one.

## The Task at Hand

The Marshes were recently approved as International Royal Rangers missionaries to Latin America. They will be based out of San José, Costa Rica.

Doug and Kerry will train men to reach boys for Christ and to lead them into a Pentecostal experience. Their main goal will be to help develop Royal Rangers throughout Mexico, Central and South America.

## How Can I Help?

- Pray for the Marshes — “God’s army advances on its knees” (Hyde).
- Share their financial needs with your pastor and church.
- Challenge your outpost to become monthly supporters of the Marshes’ ministry.
- Make a personal commitment to the Marshes through your church.
- Consider sending a tax deductible cash offering.
- Call or write if you have questions or ideas.

## Attention Commander!

*Your outpost could raise \$120 a year (just \$10 a month) and reach thousands of boys in Latin America. Talk with your pastor. Urge him to sign a monthly commitment form. Share this ministry opportunity with your outpost. Then send your monthly offerings to the Division of Foreign Missions, account number 249058. Your investment will make you a partner with the greatest army of Christian men and boys to ever cover the Latin American continent.*
