

## Things To Pray About

- Pray for safety as Doug and Kerry travel extensively in the U.S. and around the world.
- Pray that the Marshes will be able to raise their monthly support and cash budget. \$8,900 in monthly commitments is required for living expenses and international ministry operations. Also, \$48,000 in cash will be needed for flights, equipment and special operations. To do this, the Marshes must rely on churches, Rangers outposts, and individuals to stand with them faithfully.
- Pray that construction teams will respond to complete the facility development at Camp Summit in Costa Rica.
- Pray for the Royal Rangers ministry, and that new leaders would be developed in each region of the world.

## Endorsements

We are pleased that missionary Doug Marsh is going to serve as the AGWM-RR Overseas Coordinator. This is a ministry that God is using powerfully and we are happy that the overseas church can be blessed as a result of its mission. We commend Doug Marsh to you.

Thomas E. Trask  
General Superintendent

It is a delight and privilege to recommend to you the ministry of Doug and Kerry Marsh. They are among the finest missionaries we have in the Assemblies of God. For years Doug has focused his burden for missions into a very specific need: the young men of Latin America. Doug is highly respected by our national leaders for his involvement. Over 45,000 young men & boys in Latin America are being impacted by the *Exploradores del Rey* (Spanish for Royal Rangers) program! We thank those who believe in him and support this ministry.

Richard Nicholson  
Regional Director - Latin America & Caribbean

I strongly endorse the ministry of missionaries Doug and Kerry Marsh. After much prayer and consideration, Doug assumes the position of AGWM-RR Overseas Coordinator. He is "READY" to pursue a worldwide endeavor to teach, teach and keep boys for Christ. Let us accept the challenge of supporting them with our prayers and finances.

Richard Mariott  
National Commander

## About the Marsh Family

Doug was born into a missionary family and raised in Peru and Bolivia. At age six he became involved in Royal Rangers. During his teenage years in Bolivia, Doug served as the National Royal Rangers Training Coordinator. In this capacity he trained 125 leaders, oversaw the establishment of 33 new outposts involving 1,500 boys, and coordinated several district and national Royal Rangers camps. In 1988, he was the recipient of the Royal Rangers Gold Medal of Achievement.

Doug and Kerry are alumni of Central Bible College ('93). While attending college, Doug was responsible for the translation and cultural adaptation of the Royal Rangers curriculum into Spanish. Since 1989, he has coordinated training activities such as Leadership Training Courses and National Training Camps in 19 Latin American countries. Over 5,000 trained men minister to more than 45,000 boys each week throughout Mexico, Central and South America.

Doug and Kerry have resided in Central America since 1994, when they were appointed as Assemblies of God missionaries. In 1997 the Marshes purchased an 80-acre international training and discipleship center for men and boys. Located in the tropics of Costa Rica, the center, known as Camp Summit, is strategic. It serves the purpose of developing ministries to men and boys throughout the region. In 2000, Doug launched *Hombres de Honor* (Men of Honor Men's Ministries) in Costa Rica. It has since been adopted in thirteen Latin American countries.

Currently Doug is the Assemblies of God World Missions-Royal Rangers Overseas Coordinator. He is responsible for developing ministries that impact the lives of men and boys around the world. Kerry is the daughter of public school teachers in Lenexa, Kansas. She enjoys singing and writing, and is working toward a degree in counseling. The Marshes are the proud parents of two children born to them in Costa Rica: Jonathan ('97) and Karelyn ('99).

## Camp Summit

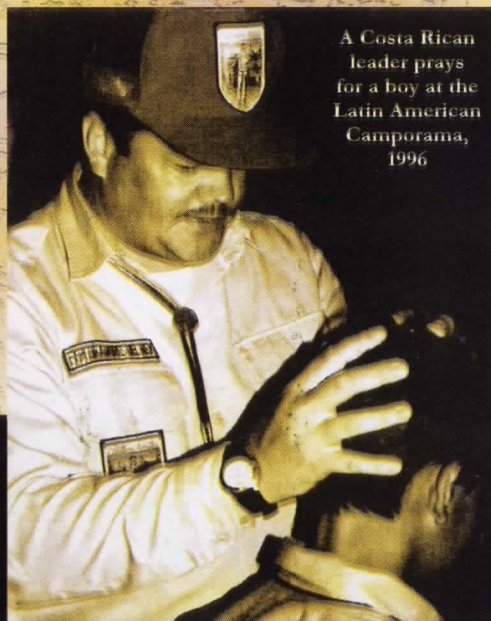

The Marshes have made a lot of progress since founding Camp Summit in 1997. But there is so much yet to do. Consider organizing a construction team to complete the facility development. Otherwise, consider making a donation to the project (address and account # on back). Your participation is vital in helping reach and disciple men and boys in Latin America.

## The Task at Hand

The Marshes are international Royal Rangers missionaries. They minister to men and boys in every region of the world.

Doug and Kerry train men to disciple today's boy to be tomorrow's man. The main goal is to develop ministries to men and boys in Africa, Asia Pacific, Eurasia, Europe, Latin America and the Caribbean, and Northern Asia.

## How can I help?

- Pray for the Marshes - "God's army advances on its knees." (Hyde)
- Share their financial needs with your pastor and church.
- Challenge your outpost to become monthly supporters of the Marshes' ministry.
- Make a personal commitment to the Marshes through your church.
- Consider sending a tax deductible cash offering.
- Organize a construction team to complete the facility development at Camp Summit (enquire for further information).

**ATTENTION  
COMMANDERS!**

Your outpost could raise \$180 a year  
(just \$15 a month) and reach  
thousands of boys around the world.

Talk with your pastor. Urge him to sign  
a monthly commitment form. Share this  
ministry opportunity with your outpost.  
Then send your monthly offerings to  
Assemblies of God World Missions,  
account #249058 (address on back).

Your investment will make you a partner  
with the greatest army of Christian men  
and boys to ever span the globe.

**God Bless!**  
Doug
