

### WASTE PAPER DRIVE WILL BEGIN TODAY

Two-day collection will wind up week's clean-up, paint-up and fix-up campaign in Joplin.

A waste paper collection today and Saturday will wind up a week's clean-up, paint-up and fix-up campaign being sponsored throughout the city by the Joplin Real Estate Board and the builders' association.

The paper drive will be conducted by Boy Scouts, who will visit all parts of the city to pick up waste paper assembled during the week.

Reports yesterday were that there has been widespread response to the appeal of the real estate board and builders for an autumn housecleaning, not only in the least of health, sanitation and appearance, but also to eliminate winter fire hazards.

Grade school children, competing for prizes by rooms, are leading the movement by clearing up yards and alleys, for which they will receive credit points.

Licotine is used in fire extinguishers. It contains a specimen of fresh-producing substance, which smother the fire.
