

## New National Director Appointed

*September 2, 2014*

Karl Fleig, District Men's Ministries and Christian Education Director for the Indiana district of the Assemblies of God, has been appointed as the new National Director of Royal Rangers. Karl replaces Doug Marsh who announced in April that he would be transitioning into full-time leadership of Royal Rangers International, the AGWM ministry Doug began in 2002 to expand the ministry of Royal Rangers around the world.

Karl comes into his new role with over 13 years of leadership experience in the Indiana district office which included oversight of the Royal Rangers program there. His district responsibilities included men's ministry, discipleship, kids' camps, and more. He has been very active in Royal Rangers for many years, attending numerous national LEAD conferences and other national events.

This transition promises to continue the strong relationship between Royal Rangers USA and Royal Rangers International. Both Karl and Doug have a passion for mentoring the next generation and will work well together to strengthen this ministry globally.

Royal Rangers continues its ongoing purpose to mentor boys and young men, providing Christlike character formation and servant leadership development in a highly relational and fun environment. Our mission is to evangelize, equip, and empower the next generation of Christlike men and lifelong servant leaders.
