Dear Commander:

Greetings in Christ Jesus!

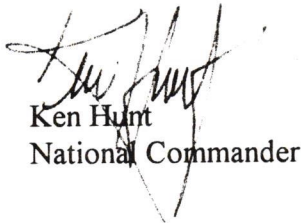

I was concerned to recently learn that somehow your outpost chartering date has lapsed. This could be due to our oversight. Therefore, I am writing to see if our office can assist you in renewing your charter and to encourage your ongoing involvement in the overall Royal Rangers program.

Your church involvement in the Royal Rangers ministry is greatly appreciated, and your dedication—as well as the other leaders in your outpost—to your Royal Rangers is to be commended. We greatly value your church's participation in the Royal Rangers ministry!

In the event you have missed the opportunity to recharter your outpost, I have enclosed a charter renewal application form. If you have any questions, please contact our chartering office at (417) 862-2781, extension 4177. We hope to hear from you soon.

Again, thank you for your involvement in Royal Rangers. We hope to be of assistance to your outpost in the days to come.

Working Together for Christ,

Ken Hunt  
National Commander
