

M E M O R A N D U M

NTC Staff Members

FROM: Joannie Barnes

DATE: May 7, 1974

Enclosed are your NTC staff patches. These should be sewn on your uniform prior to camp. Also enclosed is a sketch showing you the correct patch placement.

You should plan to arrive at the camp by 10:00 a.m. on Tuesday, May 21, at which time we will begin our staff orientation session. A map giving directions to the camp is enclosed.

If you have an Indian or a Frontiersman outfit, please bring it along with you. The staff will be conducting the Council Fire on the first evening and our theme will be Frontiersmen and Indians.

If you play a musical instrument that could be used around the campfire, bring it along.

Be looking forward to a great time with you at National Training Camp!
