

YOU ARE INVITED TO PARTICIPATE WITH US.

NR 89 98

WHAT: A special, first-time series commemorative patch (The N.R.R.T.C. Eagle Trng Cntr) (Nat'l Royal Ranger)

FOR:

WHY:

HOW:

To help raise funds to begin development, the Land debt, begin doing both. & have fun doing both. Issue a special NRRTC Patch for EACH district, over 3 years.

AT THE BEGINNING: We are offering the opportunity to subscribe to the entire series of 56 patches at a significant discount--AND-- be assigned a unique LIMITED-EDITION, NUMBERED PATCH for each district. Each patch will be sent to you with your own, assigned NUMBER stamped on the back. Upon issuance of the entire series, you will receive a special certificate designating your set as a NUMBERED, LIMITED EDITION.

THROUGHOUT THE THREE YEARS: Two patches will be issued each month, beginning in January 1988. Patches will be issued in alphabetical order. Individuals may subscribe to any district's patch--in any quantity they desire. Districts may choose to use these for some special event--but that would be the option of the district.

OTHER: Also available will be a very unusual presentation certificate that will feature an ORIGINAL PATCH, with a description, mounted under glass, set in a quality hard-wood frame. This is ideal for special presentations to pastors, district officers, GMA winners, etc. etc.

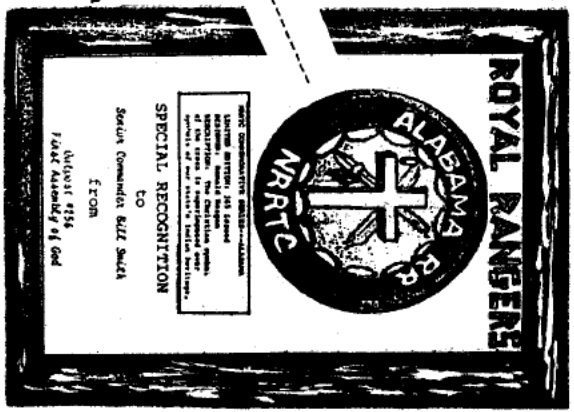

WHERE DO THE FUNDS GO?-- This project is being administered by Alan Gell, a member of the National Executive Committee. Profits above the cost of the patch manufacturing and administrative costs are being sent directly into the NRRTC fund. Over 50% of the total funds received will be guaranteed to the NRRTC.

Deposit enclosed: \$
(Total cost \$270 cash with order; any amount of deposit will hold your assigned numbered set; a small additional charge will be added for paying out the total cost.)

In 1962, I had a dream of an army of men and boys around the world, jilting high the banner of Jesus Christ; making an impact on their generation for God! With the expansion of Royal Rangers in 42 countries of the world, and thousands of boys accepting Christ each year, this dream is becoming a reality. I have had another dream for many years of a National Training Center for Royal Rangers. A center to train leaders in this far-reaching ministry; a site for national events and specialized camping opportunity for boys across the nation. Dreams are wonderful, but dreams must be shared with many, many people to become a reality. Will you share this dream with me? You can help by giving generously to this project. Together we can develop a center that will provide outstanding dividends in the lives of boys. Johnnie Barnes National Commander
