

ASSEMBLIES OF GOD HISPANIC DISTRICTS

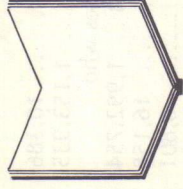

Membership in black, churches in color

Through the years the Assemblies of God has ministered to many different ethnic groups who immigrated to the United States. Occasionally a number of such ethnic churches have banded together and formed their own district as part of the Assemblies of God. Currently there are six Hispanic districts, shown on the map above, and German, Italian, and Korean districts, with statistics reported in the listing to the right.
