royalrangers.org

Fall is really a busy time of the year!

(so is summer, spring, and winter!)

But face it, some things just have to be remembered.

And one of those important things is...

ONLINE CHARTERING!

It is **EASY, SAVES YOU TIME**, and has **EXCLUSIVE BENEFITS** for your outpost!

Please visit the national ministry web site at www.royalrangers.ag.org to begin the online chartering process.

Not sure how to charter online? No problem!

Watch our 4-minute online chartering tutorial to see first hand how it all works!

BUT HURRY! The chartering season expires

OCTOBER 15, 2009

and that day will be here before you know it.

DON'T FORGET to charter your outpost before then!
