

**Master's
Toolbox**

SUMMER 2020 CAMPAIGN

DOES YOUR BOY WANT TO DO SOMETHING AMAZING THIS SUMMER?

Many Christians in Africa have difficulty gathering together because they don't have a church building to keep them out of the sun or the rain. So this year, Master's Toolbox funds are going to help!

The national Royal Rangers department and the national BGMC department are challenging Rangers across the nation to earn \$100, \$300, or \$500 this summer to help our missionaries provide roofs for churches across Africa.

Downloadable posters are provided for each boy to keep track of the money he raises. The posters are made for three goals: \$100, \$300, and \$500. You can find them here: <http://s1.ag.org/raisetherooft>

We also have dated commemorative coins for every boy (or leader) who earns \$100, \$300 or \$500. If they raise \$300, they will receive the first two coins. If they raise \$500, they get all three coins.

Your Rangers leader should email Rangers@ag.org by September 15 to let the national Rangers office know how many coins to order. The coins will be sent out once they arrive in late October.

We encourage your boys to raise funds by:

- Collecting items from neighbors to have a neighborhood garage sale with all proceeds going to missions. *(Get help from parents for this.)*
- Selling ice cold soda somewhere.
- Doing chores for relatives and friends.
- Going on Facebook and asking people for funds to help build a church.

We'd love to see your boy do something incredible!

National Royal Rangers Director Karl Fleig
National BGMC Director David Boyd
