## What is the difference Between a Silver and a Gold Pathfinder Project?

Both Silver and Gold Projects are outside of the USA. On Silver Projects you have the luxury of driving to the site and sleeping in a bed and a shelter other than a tent . On Gold Projects you get to filter your water, tote in your food, sleep in tents and many other fun things. Also the final approval of the gold project is determined by the National Pathfinder Committee.

## Upcoming Projects:

April 2, 2005—Mississippi Pathfinders to Polacca, Arizona

April 2, 2005—Tennessee Pathfinders to Houck Arizona

April 15, 2005— TN Gold Pathfinders to Bolivia, SA (Bellshire Plant)

April 22, 2005— Second team to Bolivia (Life Assembly—Mt. Juliet )

June 3, 2005—Griffin, GA. Pathfinder team to Arizona

June 11, 2005—New Brockton AL. Pathfinder team to Arizona

## Tennessee FCF District Trace

Thanks for the generous donations and bidding at the mission's auction this past March.

It was good to have George and Stan Smith back with us.

## Itineration Trail

We are at 96 % on our monthly support and 40% of our cash needs. Thanks so much for each and everyone of you.

## Royal Ranger National Council

The National Pathfinder committee Met in Springfield, Mo. This past month. We wished Gerald Jackson a happy retirement and welcomed Bill Strickland on the committee as the new World Mission's MAPS director.

We believe that God has a great plan for Pathfinders all across the nation. We are believing for coordinators in all states and over 50 projects to be completed in 2005.

We are looking forward to working with each district this year in assisting them in getting their teams involved.

## Tennessee District Council

I would like to thank all the visitors that stopped by the Pathfinder booth at the District Council. It was like old home week visiting with past team members from all across the state.
