Bronze Pathfinder Team New Orleans

Five men make a huge difference to the School of Urban Missions in the New Orleans area. These men spent their July 4th week painting the three story building and saving the school over \$10,000 in labor.

They braved the humidity, rains and hurricanes to finish this task and make it possible for the incoming students to enjoy a fresh new look.

Special thanks goes out to **Bill Stokes** from Tennessee for coordinating this effort. Other team members were Jim Seagrove, Coy Stokes, Matthew King and Mike King.

If you would like to have more information or would like to send a team to this school, I know Don Logan, Vice-President will be glad to talk with you. Don can be reached at 504-362-6364.

Upcoming Projects:

Nov. 28—Dec. 6 2005—Gold team to Honduras

Feb. 2006—Guatemala Gold Team

Ministry in Lithuania

Lithuania is a small country in Europe located on the Baltic Sea. **Bob Maclsaac** is one of the missionaries that has taken on the responsibility of building a 100+ acre campground for the youth of this country to be disciplined and have organized group activities. The grounds are located on the second largest lake in the country, which will provide for ample water activities. There is a great need to reach the young people of this country for Jesus. 50% of the population is under the age of 18.

The campground is being used today with temporary buildings and a large circus tent. The youth camp in smaller cabin tents.

The first major building to be constructed will be a combined dining facility and multi-purpose building. It was a pleasure for Cindy and me to work with a Warren Ohio team to finish the exterior block work and installing the metal roofing. **Harry Lucik** was the coordinator of this team and will be more than glad to help you put together your team for next year.

Cindy was honored to minister through singing in two of the national churches.

After the completion of this building they will begin the construction of cabins for the campers. If your church is interested in sponsoring part or all of one of these cabins you can contact me or Bob Maclsaac. Bob's email address is: bmaclith@post.5ci.lt
