March 2019

Get your kite's out! March winds are approaching. Speaking of kite's, has anyone flew one lately? Do they still make them? I think I will try and get one and let the twins experience kite flying.

Ron Harrison is getting a team and building supplies together to build a Church in memory of Tim Brown in Bolivia starting May 13, 2019. He is trying to raise \$10,000 for building funds. The cost per team member will be \$1700 plus \$160 for a visa. This will be a great trip in honor of our dear friend Surefoot. Let's get the word out and help Ron with all the team members that will be needed and all the building funds. His contact is Ron Harrison 615-207-7004. e-mail [ron@harrisonlock.com](mailto:ron@harrisonlock.com).

As most of you know, Laura Gilliam went to her heavenly home in February. She was a good servant of the Lord for many years. She really missed Monty and now they are rejoicing together in their heavenly home. Happy Trails Monty and Laura!

I heard from Bill Shelton. The treatment on his nose is working well and is in the healing process. Thank you, Lord, for this great praise report from Bill. Pray for Francis that her upcoming surgery will go very well. Also heard from Jim Mitchel. Keep his wife, Reba, in prayer. She has been in the hospital. Please pray for strength and healing for her. Ron Bush had some more surgery but is doing well. Thank you, Lord, for that praise report also. Continue prayer for Richard and Nancy Fountain, Ralph Crass, Ron Bush, Ralph and Donna Palmerton, and all our Alumni friends that may have prayer needs, whether it for physical healing, spiritual healing, family healing, financial healing, and/or new job. Whatever the request, the Lord is faithful in hearing our prayers. Keep Rick Beebe in prayer against the battle he is having with cancer. Let's continue to put a blanket of prayer over all our Alumni members and their families

Mike King, Bill Shelton, Little Paul Galina and their team just finish their trip to Nepal. Bill and Mike are now heading to Kenya. No time off between trips. Continue to pray for them for strength and traveling mercies as well for the team that is going to meet them in Kenya. There are still openings for Bolivia Hope Center, in June and Iceland in August. Contact him for more info if you want to go on any of these trips or would like to donate. His phone number is 931-626-9358. [mikeking5@bellsouth.net](mailto:mikeking5@bellsouth.net) Prayers are always accepted with the love of the Lord.

Keep Hunter Tester in your prayers as well. He is a young missionary serving the youth of Bulgaria.

*Best Regards*
