

## EuroCamp 2007— **KEEP ON!** Lillehammer, Norway

During the week of July 31 – Aug. 4, 2007, an estimated 5,000 Royal Rangers from all over Europe will travel to Lillehammer, Norway for

EuroCamp. This special event takes place every 4 years and is similar to National Camporama in the USA, but instead of boys coming together from the 50 states, boys and girls will gather from 23 nations across Europe.

During the day, Rangers will participate in sports and compete against each other in activities designed to test their outdoor skills and use their God given talents. Many workshops and craft stations are offered that allow Rangers to exercise their creativity through various artistic means.

Special services will be held each evening and are the spiritual highlight of the camp. Rangers will enjoy worship bands composed of their own peers, have the opportunity to express themselves through drama, and hear challenging messages from God's word. The services are usually conducted in English, but translation is available through headsets into the many languages used throughout Europe. Historically, many young people give their hearts to the Lord, or are motivated to a deeper Christian walk during these services.

RRI staff members and Rangers from the USA will be attending as part of a special delegation to EuroCamp 2007. European missionaries working with the Royal Ranger ministry or that have an interest in Rangers should contact RRI about receiving an invitation to attend at: [RRI@royalrangersinternational.com](mailto:RRI@royalrangersinternational.com).

## Camporama 2006 Summary

**A**s stated on the official National Camporama website, "Camporama 2006 has come to an end and thousands of campers have now returned to their homes challenged to live the life of a champion for God. This week (July 17-21, 2006) will be remembered for it's hot and dry weather, loads of fun activities and competitions, exciting worship music and inspiring and challenging evening messages."

Royal Rangers International had the pleasure of hosting the international delegates from around the world. Approximately 80 Rangers attended from many countries including Germany, Mexico, Australia, Norway, Finland, England, Sweden, and the Dominican Republic. American Rangers got to meet the foreign delegates

at the RRI booth, while competing in a soccer tournament known as the Ranger Cup and learning more about the ministry of Royal Rangers International. Mike King, the president of Pathfinder Missions, was on hand to tell leaders and boys how they could actively advance the kingdom of God through a Pathfinder trip.
