

RRI Asia Pacific Summit

Royal Rangers International (or RRI) was created by AGWM in 2002 to coordinate the growing Royal Ranger programs around the world. You may be surprised to learn that Royal Rangers is now in 73 countries, in all 5 AGWM regions, and that 2/3 of the programs in other nations are co-ed. Many children are coming to Christ as a result of this dynamic ministry.

Now, Royal Rangers International is getting ready to hold its 5th annual RRI Council meeting in Kuala Lumpur, Malaysia. This event will take place from April 22 - 24, 2008, and will be hosted Jim Guneratnam, the RRI Representative for Asia Pacific. The meeting will be

immediately followed by the first ever regional conference for Royal Rangers in Asia Pacific. Jim, who has been actively involved in the Royal Rangers of Malaysia for years, has been quietly working behind the scenes to promote and revitalize Rangers across the whole region. Now, he is ready to host these two important events.

Regional conferences have worked well wherever RRI has instituted them, like the *Seminario de Administración Nacional* for Latin America and the Caribbean in 2006 and the Africa Summit held in 2007. In fact, the annual *EuroLeader* Conference has been one of the key reasons behind the strong unity and cooperation among the Ranger nations of Europe. Therefore, we are expecting great things and a "new day"

for the Royal Rangers of Asia as a result of this upcoming summit.
