

JUNE 2014

Reach the Summit. Reach the Lost.

Climb **MOUNT KILIMANJARO** and benefit **Master's Toolbox**.

Trip Information

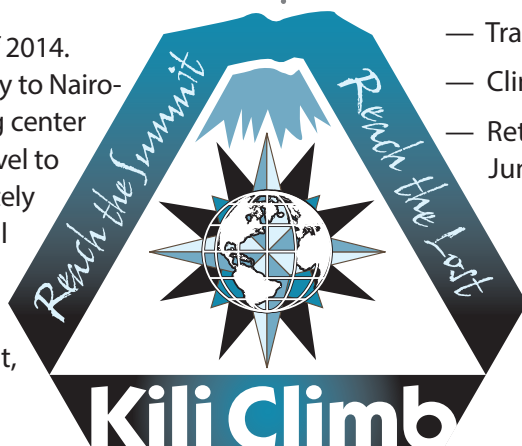

- » Each person must raise \$13,000 to climb Mt. Kilimanjaro.
- » Funds raised will benefit the following Master's Toolbox projects: East Africa Royal Rangers Training Center, Kenya Kids Home, and Evangelism curriculum.
- » The climb will be limited to 15 people (first come, first served).
- » Only those who personally raise these funds can go on the climb.
- » If the climbers want to take their son, it will be an additional \$4,500/son. Fathers can bring more than one son; but cannot bring a boy/young man who is not an immediate family member. Minor aged boys must attend with their father/legal guardian, not alone. No boy under the age of 14 will be allowed.
- » All participants must be in good health; accommodations for those with disabilities cannot be provided. Refunds will not be given in the event an individual backs out or if he does not complete the climb.
- » The trip will take place in June of 2014. We will all meet in London and fly to Nairobi together to see the RR training center and do ministry. We will then travel to Tanzania for the climb. Immediately following the climb everyone will return home via London.
- » The trip is all-inclusive, except incidentals, climbing equipment,

and the cost of getting to one of the pre-arranged US hubs where the trip officially starts (for example, we might make JFK or DFW and a number of other airports official starting places based on where individuals are starting from; the individual bears the cost of arriving to that major hub).

- » Funds will be due in four installments with the final installment due in April. Since all funds are for missions, no funds will be returned in the event someone declines to participate (for any reason) and no funds will be transferred to another climber.
- » Individuals who contribute to "Joe Climber" for climbing can receive tax and church giving credit. Contribute online at <http://s1.ag.org/rrikiliclimb>. To donate towards a specific climber please add the climber's name after "Class 70 Kili Climb" in the comments box (if you delete "Class 70 Kili Climb" from the comments box your donation will not go towards the Kili Climb).
