to give and to serve

Commit to prayer – *From Paul 'Grey Owl' Walters, National FCF President*

We are living in turbulent but exciting days. I am not sure about you but sometimes I find myself wrapped up in the 24- hour news cycle and then it is easy to loose focus on the Lord's calling. I have to refocus my attention and remind myself that God is in control of each aspect of my life. Yes, we must remember to give our best in HIS service and he will direct our paths. What we must do must be done quickly and with fervor. Each aspect of our lives needs to be wrapped in prayer directly to our Lord. To be "uncommon" in our Royal Rangers and FCF leadership roles we need to be in constant communication with Jesus. Therefore, I am calling on the FCF leadership of our nation to commit at least 30 minutes in prayer on behalf of the Royal Rangers and the FCF. I would ask that this be done sometime during the day every Friday. As our ministry moves forward in touching lives I know the Lord will bless all that we do especially if we put our needs on HIM. I look forward to hearing about answers to our prayers as we take this time to be before the Lord. I am counting on you.

During last month's newsletter I requested that the Chapter Presidents urge their members to participate in the upcoming Territorial Rendezvous. Please follow up on this and do all in your power to promote these events. Also, I ask that if you haven't done so, make contact with your Territorial FCF Representative and volunteer the assistance of you and your staff. It takes much effort to plan and execute these Rendezvous and I know the Territorial Representatives will appreciate the assistance.

There are several updates on the National FCF website that I would like to bring to your attention. First, many of you remember the 4x8 foot promotional banner that was introduced several years ago. These attractive banners are again available. This is an excellent way to help you promote the FCF. Also, different samples of FCF stationary and business cards have been developed for your use. Thanks to Anthony Hubbard, National FCF Field Advisor, for the designs. Both the FCF banner and the stationary are available on the Chapter Officers tab at the National FCF website
