

Frontiersmen Camping Fellowship

to give and to serve

Heading to Rendezvous – *From Paul 'Grey Owl' Walters, National FCF President*

The early frontiersmen of our great nation were innovators. Having just celebrated Independence day on July 4th, I am reminded of the great history of our Nation. As FCF members, we also have the opportunity to be innovators in the Royal Rangers ministry in which we are blessed to be called to be involved in.

Rendezvous season is beginning! Five of our eight Regions will have their Territorial Rendezvous this week and next. Many have been preparing to attend these great events. Let me encourage each of you in leadership to be praying and fasting for a great move of HIS spirit. I know that many lives will be touched by our Lord. Also, it is not too late for you to encourage your members to round up a few more to attend a Rendezvous. Many Young Bucks are off from school and may just be waiting for an invitation to head out. Have a great time at Rendezvous! I am anxious to hear the many great reports of spiritual victories.
