*To Give and To Serve*

Chapter President's

Howdy!

While many of you are still experiencing the middle of winter, National Rendezvous will be upon us very quickly.

It is certainly not too early to promote this most important FCF event to your members. The attached newsletter will help you to encourage your FCF members to attend. There is a sample letter that will make it very simple for you to do a mail out.

Also, remember that each chapter has set a Rendezvous goal. For those that reach their goal, a special very limited edition National Rendezvous patch has been designed and will be presented at the event this summer.

However, remember that you the chapter president will be the driving force to encourage your FCF members to attend. Don't procrastinate. Do it now! Only the Lord knows of the lasting effects of the work that HE will accomplish at the National Rendezvous! Make every effort to get your members there. It will be worth it!

Blessings,  
Paul "Grey Owl" Walters  
National FCF President

**2014 National Rendezvous Invitation** - The 2014 National FCF Rendezvous will be the biggest and best FCF event ever. Make plans now to attend this once in a lifetime event. Come and share in a special brand of fellowship, camaraderie, and competition with your FCF brotherhood. National Director, Doug 'Discerning Eagle' Marsh, and National FCF President, Paul 'Grey Owl' Walters will be the featured speakers. Enjoy the praise and worship of Brenton Miles. Do not miss this opportunity to join in the undaunted spirit of the Frontiersmen Camping Fellowship.

**Chapter & Territorial Attendance Goals** - The National FCF Staff is committed to making the 2014 National Rendezvous the largest attended FCF event in history. Chapter attendance goals were established at the 2013 LEAD conference. Please do everything in your power to help your territory reach this attendance goal. If all the attendance goals are met, the National Rendezvous will have more than 1600 in attendance. A chapter president will receive a black edition 2014 National Rendezvous patch if they reach at least **100%** of the established attendance goal for their chapter. There will only be 100 of the black edition patches produced. Please review the attached attendance goal document to see the individual attendance goals for each chapter.

**Registration Incentives** – A drawing will be conducted for all those who have registered before January 31. A National Rendezvous Promo T-shirt will be awarded to three (3) registered individuals. Start registering for rendezvous now.

**Chapter Planning for Rendezvous** – Start your planning now to attend the 2014 National Rendezvous. The event will be held July 14-18, 2014 at Camp Eagle Rock. Chapters can promote registration, prepare chapter equipment, gather chapter memorabilia (flags, banners, patch collections, historical memorabilia), and encourage chapter members to work on their personal outfits and gear. Please use the attached sample correspondence to encourage chapter members to prepare for rendezvous.

**Volunteer Opportunities at Rendezvous** – There will be plenty of opportunities to volunteer your time and service at rendezvous. Each of the territories will be responsible for managing the skill events at rendezvous and will be drawing from their individual chapter memberships to fill volunteer roles. There will be opportunities to volunteer your time in food prep, food service, tram service, site maintenance, etc. Volunteers will receive special edition rendezvous gear for serving in increments of 8, 12, and 16 hours.
