Dear Royal Rangers Leader,

As you leaf through the pages of this catalog, you will discover two things about Royal Rangers:

1. Profound gratitude for our rich heritage.

We have a legacy of leaders all across America who serve with integrity. To date, Royal Rangers has spiritually influenced over 2.5 million boys and young men. Our founder, Johnnie Barnes, never dreamed our efforts would take Royal Rangers to 86 nations (and growing!). Today as we mentor future men, we continue to share our founder's commitment to "develop the total boy for Jesus Christ."

2. Prepared anticipation for the future.

A few years ago, we set out on a journey of faith to do whatever it would take to "influence more boys and young men than ever, more effectively than ever." The Lord directed our planning, and this year marks the completion of that process. Already it is paying off; more and more churches start Royal Rangers each week and numerous denominations are adopting the ministry. As we move into our bright future, we do so on the solid foundation established by others.

Now it's your turn and mine, too!

We have readied ourselves, and God honors preparation. Boys and young men need mentoring today more than ever! Let us faithfully fulfill our mission: "to evangelize the world, equip the next generation of Christlike men, and empower lifelong servant leaders."

National Royal Rangers Director

What Is Royal Rangers?

The opening lines of the Royal Rangers Leader Manual say it all: *“Royal Rangers is a mentoring ministry for future men, providing Christlike character formation and servant leadership development for boys and young men in a highly relational and fun environment. Our mission is to evangelize, equip, and empower the next generation of Christlike men and lifelong servant leaders. Royal Rangers enables pastors and men to influence more boys and young men than ever, more effectively than ever!”*

Royal Rangers is an activity-based small-group church ministry for boys and young men in grades K-12. Mentor Your Boys to Become Godly Men.

Through a diverse program of activities, Royal Rangers provides something for every boy, and every activity gives your leaders the opportunity to mentor boys into true Christlike manhood. By participating in group activities with godly men, boys will develop confidence and learn by example and biblical counsel how to become the men God designed them to be.

Equip Your Men to Be Godly Mentors.

Boys today have a variety of interests, and now mentors with a broad range of interests and abilities have the opportunity to disciple them. Royal Rangers is stronger by involving dads in the lives of their sons, men from every generation and those with a variety of backgrounds. The resources and training Royal Rangers offers will give new and experienced mentors the confidence to enjoy ministry success.

Develop Your Men and Boys for Leadership.

There is no better way to shape lifelong servant leaders than by instructing them to lead and then stepping back as they take charge to the degree their age, maturity and growing abilities allow. This will prepare them for the future while giving them ownership of their outpost today.

Create Your Program to Fit Your Church.

As a church you choose the activities that will draw the most boys, the best staffing solutions, the leadership style your boys need, how much product you depend on, and the apparel that will make young men proud to be associated with Royal Rangers and your church. With Rangers you get the effectiveness of a proven ministry with all the flexibility you need!

It explains how God takes them on an adventure, shapes their character, and equips them for a unique task. This book describes the core message of Royal Rangers and is used by leaders and boys at various points in the program.

A Guy's Journey to Servant Leadership can be used when teaching the leadership merits and is also a valuable reference when teaching general leadership principles. Adventure Rangers Advancement Awards

The Adventure Rangers advancement system consists of 15 advancement steps, organized into three annual trails of 5 steps each. Expedition Rangers® (Grades 9–12)

Expedition Rangers is for high school guys (9th-12th grade) and features a 3-year advancement trail of learning and growing, specifically developed for high school guys. Guys earn annual awards based on certain combinations of skill merits, leadership merits and Spirit Challenge Bible lessons. Merits are designed to promote learning and development in a specific area.

- **Skill** merits help develop skills and build confidence as leaders and young men enjoy fun times together and learn about a variety of subjects of common interest.
- **Leadership** merits teach teamwork and leadership skills and help young men grow into true Christlike servant leaders.
- **Spirit Challenges** take the place of Bible merits in Expedition Rangers and consist of Bible lessons, featuring topics of unique interest to high school guys. Written for group discussion, Spirit Challenges engage guys in the learning process and promote interaction and personal application.

Details concerning the requirements for the advancements and achievement awards can be found in the **Expedition Rangers Handbook**. Merit requirements can be found online at RoyalRangers.com. See all Expedition Rangers merits on page 20.
