T-Shirt Measurement Chart

When ordering any of our T-shirts, please use this convenient measurement chart. To make certain T-shirts fit properly, please measure carefully as indicated and consult the chart. If measurement falls between sizes, order the next larger size. For an extra-roomy fit, please order a larger size.

How to Measure: Stand normally, arms at sides. Measure over underwear at fullest part of the chest, making certain the tape measure is over the shoulder blade. Keep tape snug, not tight.

COME EXPLORE THE WILD WEST

by Esther Loewen Vogt.

Travel back to the 1800s with this exciting new book from Gospel Publishing House. You'll experience the true-life story of Jedediah Strong Smith....

You'll climb forgotten Indian trails with Jed as he explores old tribal footpaths near his home in Pennsylvania. You'll hunt with this young adventurer as he tiptoes quietly through the woods tracking deer.

You'll feel the steady rocking of the river water as Jed climbs aboard a boat and joins a crew of hunters who are trapping and trading beaver in the Great Lakes region.

You'll hear the pounding of your heart as Jed joins an expedition to face the dangers of the

West. You'll tense as Jed meets up with bands of wild Indians, survives an Indian massacre, and encounters a ferocious grizzly bear.

More than this, you'll want to read this book time and time again. Jedediah Strong Smith is more than a mountain man, he is a Christian hero. This exciting new book will take you on a journey you'll never forget. Order yours today!
