2010-2011 ORDER FORM

## TRaCclub: YOUR ONLINE RANGERS PROGRAM

Royal Rangers meetings are based on a complete lineup of fun, effective printed curriculum. Soon you'll be able to get these great materials online!

The curriculum is TRaCclub, which stands for The Rangers Curriculum club. TRaCclub will eventually replace our current teaching materials (Leaders Guides, Merit Reference Guides, and Boys Workbooks but not handbooks). You'll get all the meeting plans and merit teaching materials you need for your Royal Rangers meetings. TRaCclub offers the ultimate degree of flexibility, while using the most up-to-date materials at minimal cost to you.

TRaCclub provides five "tracks," each offering all the materials necessary to operate a specific age group of the program:

- Ranger Kids
- Discovery Rangers
- Adventure Rangers
- Expedition Rangers

A track for leaders is also available, giving you a variety of additional resources to equip and empower local leaders for success.

Each track is provided on an annual membership basis. You can purchase memberships to as many or as few tracks as you choose, according to your church's needs.

Each group track includes material such as ...

- Weekly meeting guides providing a framework for the entire meeting (replaces printed Leaders Guides)
- Merit lesson plans (including skill, leadership, and Bible merits) or achievement award lessons specific to that group (replaces printed Leaders Merit References)
- Boys workbook pages for all merits where workbook pages are used (replaces printed workbooks for boys)

The Leaders track includes a variety of supplemental materials for leaders. A complimentary 2-year membership to the leaders track is included with the purchase of the new Leader Manual. This track includes materials such as ...

- Junior Leadership Foundations, the new local-level junior leader training program
- Devotions for weekly meetings or special events
- Program ideas for Councils of Achievement
- Program planning forms and information

**TRaCclub is a great value!**

# MEASUREMENTS

## HOW TO MEASURE

Stand normally, arms at sides. Measure over underwear. Keep the tape measure snug, not tight. To make certain garments fit properly, please measure carefully as indicated above, and consult the measurement charts below. Note: Charts represent actual garment measurements. If measurement falls between sizes, order the next larger size.

**Collar:** Measure around the base of the neck.

**Chest:** Measure under the arms and around the fullest part of the chest.

**Sleeve:** Have him hold up one arm chest high and touch his nose. Measure from the back base of neck, across shoulder, around bend of elbow to the wrist.

**Length:** Measure from high point of shoulder (where collar meets shoulder) to just below belt line.

# More Great Ways to Disciple Your Boys

Interested in outreach? **MEGA Sports Camp®** curriculum is built to reach your community. It's creative evangelism that will grow your church! This do-it-yourself outreach teaches soccer, basketball, baseball, and/or cheerleading skills alongside Bible truth. With a flexible format you can adapt to your size and location, it's low stress and low prep—so volunteers love it! Want to know more? Visit [www.megasportscamp.com](http://www.megasportscamp.com).

Want to give your boys something they can enjoy and share with friends? As a discipleship tool, a comic almost guarantees it's going to be read—not just once—but lots of times. **Welcome to Holsom** comics will help you create unlimited opportunities for God to move in the lives of your boys.

So how does a comic book disciple kids? Easy! The plot for every comic reflects identifiable Christian themes designed to get kids thinking about spiritual issues. By seeing how characters handle various situations, your boys will have a chance for their own soul searching.

Check out the FREE enrichment materials for leaders and parents at [www.welcometoholsom.com](http://www.welcometoholsom.com). Kids will find a ton of fun stuff there, too!
