Measurements

How to Measure

Stand normally, arms at sides. Measure over underwear. Keep the tape measure snug, not tight. To make certain garments fit properly, please measure carefully as indicated above, and consult the measurement charts below.

Note: Charts represent actual garment measurements. If measurement falls between sizes, order the next larger size.

COLLAR: Measure around the base of the neck.

CHEST: Measure under the arms and around the fullest part of the chest.

SLEEVE: Have him hold up one arm chest high and touch his nose. Measure from the back base of neck, across shoulder, around bend of elbow to wrist.

LENGTH: Measure from high point of shoulder (where collar meets shoulder) to just below belt line.
