

HIGH ADVENTURE

We are very excited about the new Royal Rangers magazine entitled "High Adventure." We know this publication will be very beneficial to you and each member of your outpost.

Enclosed are several individual subscription cards for you to use in securing subscriptions. If you use the bundle subscription plan, you should collect all these cards for your outpost record files. Then send your request for bundle subscription on just one card to the National Office. If you do not use the bundle plan, then each of the individual subscription cards should be sent directly to the National Office.

The bundle subscription plan simply means, if a leader has 5 or more boys subscribing to the magazine and these subscriptions are all sent to one address rather than to five different addresses; he can save on postage and handling, (20¢ a year per subscription). Instead of \$1.50 per subscription, it would be \$1.30 per subscription. This does not mean you pay only \$1.30 for 5 subscriptions or more. It means you pay \$1.30 per subscription. For example, if you ordered 10 subscriptions using the bundle plan, you would be charged \$13 rather than \$15 which would be the normal charge for 10 single subscriptions.

The saving is in postage and handling. The basic cost of printing the magazine is the same whether you use the single or bundle plan.

If the bundle plan is used, the total number of magazine subscriptions desired should be listed on the card. (Bundle subscriptions does not mean 5 subscriptions. It means 5 or more or any amount above 5). For example, if 10 subscriptions are desired, the number 10 should be listed next to "Bundle subscription" on the ordering card.

One feature of the magazine will be a "Rangers in Action" section. We will need good sharp action photos that tell a story for this section. We would be happy for you to send us photos of exciting or unusual activities in your outpost. We would prefer 5 X 7 or 8 X 10 inch size; however, smaller photos that are real sharp are usable. Boys in the photo should be wearing something that will identify them as Royal Rangers, such as T-shirts, sweat shirts or uniforms.

Looking forward to receiving your subscriptions very soon!
