Ranger Brochures INTRODUCED

From the desk of
Richard MARIOTT

Greetings Friends;

We had a wonderful Royal Rangers National Council in March! Since then we have received many encouraging emails and positive comments from all of you. The staff and I would like to express our sincere appreciation to you for your kind words and tremendous support you have given.

I am currently working on the March 2002 council registration form and will be mailing it to you and your executive committee members in May. If you have any changes to your district Royal Rangers executive committee, the district commander should email our office at rangers@ag.org. We will also send an additional twenty-five registration brochures to the district commander for his invitation list. This listing could be section commanders, division commanders, ICS or IT instructors who may not be identified on other lists.

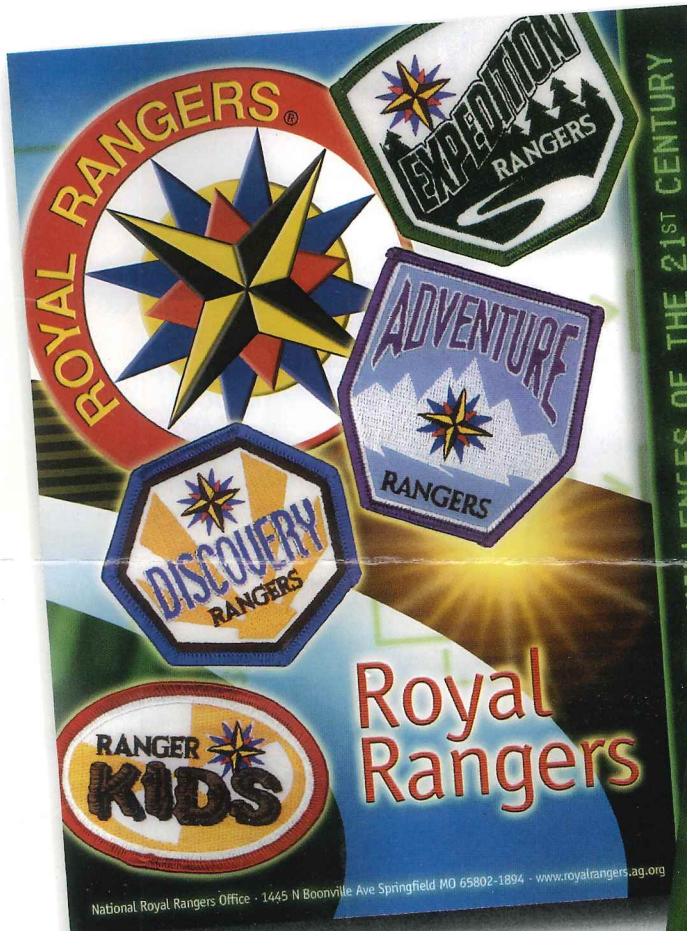

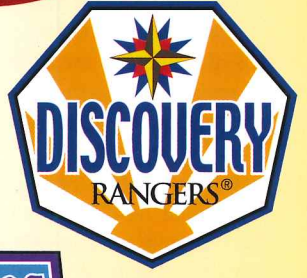

If you are a national council member (district executive staff member) and did not attend the March National Royal Rangers Council, we will send you a complete set of the council notebook, color brochures, and a Camporama 2002 packet for only \$25.00 to cover the cost of shipping and printing. To place an order contact us by phone or email.

Please continue to pray for us as we finalize all the new workbooks, leaders guides, and training materials.

Blessings to you!

Richard A. Mariott

ROYAL RANGERS: Meeting the Challenges of the 21st Century — BROCHURE —

A Short Summary on The Three Brochures

Royal Rangers: Meeting the Challenges of the 21st Century

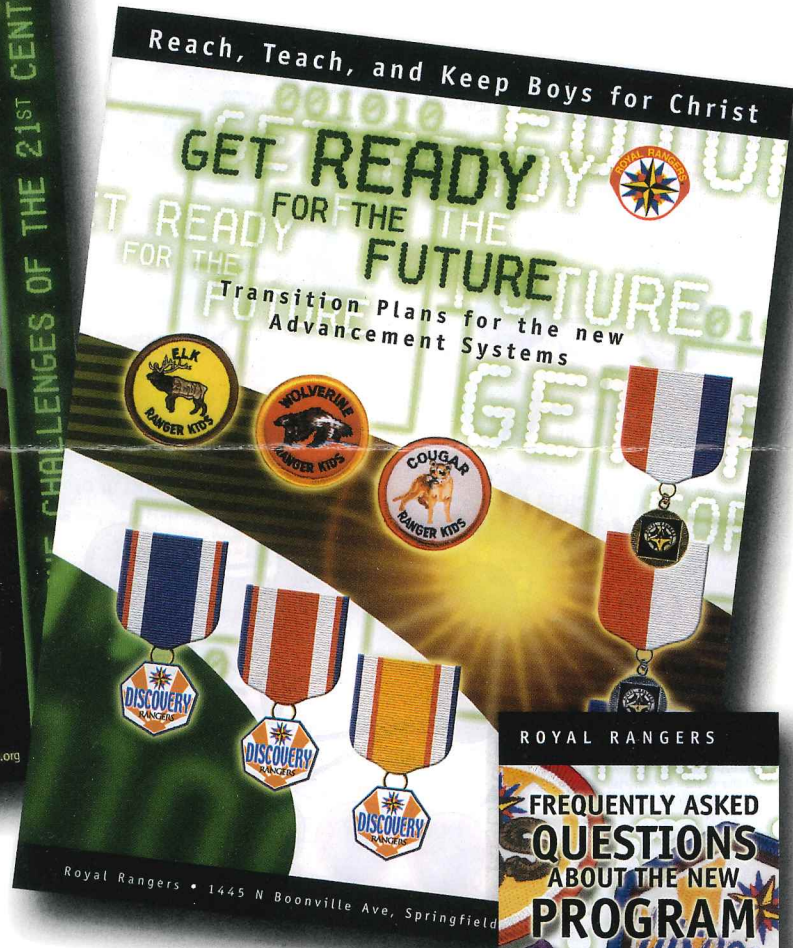

This full color six page brochure is a complete outline of the new advancement system coming in March 2002. It includes Ranger Kids, Discovery Rangers, Adventure Rangers, Expedition Rangers, The Trail of the Grizzly, and Junior Leadership Training Academy camps.

Get READY For The FUTURE: Transition Plans for the New Advancement Systems

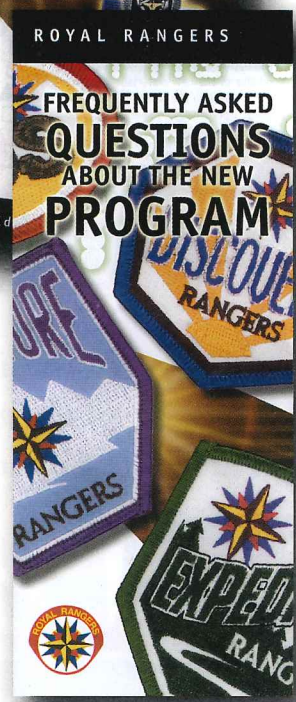

This is a comprehensive transition plan for every age group from Straight Arrows, Buckaroos, Pioneers, Trailblazers into the new programs—Ranger Kids, Discovery Rangers, and Adventure Rangers. This will help commanders and boys determine how they can transition into the new groups. It also assists commanders to plan for the bronze, silver, and gold medals and help the boys earn the correct merit awards that will transfer into the new advancement system.

Frequently Asked QUESTIONS—About The New PROGRAM

This brochure answers the twelve most frequently asked questions about the new program. This full color brochure will help commanders, pastors, parents, and boys with the new program that is coming in March 2002.

New National Staff Members

Paul LINTNER

Paul and Florene Lintner have recently joined our staff as the new manager of our Eagle Rock national campground. Paul was the RR deputy district commander from Arizona. His professional background includes the ownership of a lumber yard in Colorado and over the past ten years he was the sole owner of a building repair and maintenance business in Arizona.

Paul has an extensive background in Royal Rangers and exhibits a great desire to see boys reached for Jesus Christ through the ministry of Royal Rangers.

Paul will be working closely with Rick Dostal, national training coordinator and campground construction supervisor, to complete the upcoming projects before National Camporama in July 2002.

The projects include:

- Construction of a new RV park with 20 sites complete with full utility hook-ups.
- A new 2,400 square foot Visitor's Center in the RV park. It will be a log building with showers, restrooms, laundry room, kitchen, and a meeting room for smaller camps.
- New well and septic system to supply both the RV park and RV Visitor's Center.
- Landscaping around the RV Center.
- Doubling the size of the existing campground shower facilities for Camporama 2002.
- New electrical power supply units for the food preparation and service locations.
- A new restroom and showerhouse facility to accommodate workers for the concessions and food preparation stands.
- Enlarging the amphitheater area to accommodate the estimated 6,500 attendance and updating the video and sound system.

If your district or region is looking to sponsor MAPS-type trips here in the US, contact Rick Dostal and schedule a date to come and help us at "Camp Eagle Rock."

Steve SCHULTZ

Steve and Barbara Schultz, from Southern California, are the newest addition to the National Royal Rangers Staff here in Springfield.

Steve has over fifteen years experience in Royal Rangers at the outpost, section, and district levels.

Steve has worked as the national pageantry coordinator at the 1998 Camporama and has served at numerous ANTC events teaching pageantry workshops.

Steve's portfolio is the "National Boys Camps Coordinator" including the following events and services:

- National Camporama
- National FCF Rendezvous
- Territorial FCF Rendezvous for promotions and High Adventure articles
- National Junior Camps and Merit Awards Camps—starting in 2003
- Royal Rangers Olympic events—projected for 2003
- Ranger of the Year program

Floyd "JR" WHINERY

JR and Amy Whinery are recent staff additions, joining us from Northern California. JR started in Royal Rangers as a Straight Arrow and progressed all the way through the program to earn his "Gold Medal of Achievement" award. During his college days and after college JR continued to be active in Royal Rangers in positions such as Lt. Commander, Commander, Sectional positions, and he worked for seven years at the Rangers Store in Northern CA.

JR's portfolio as the office manager will be helping with the administration and organization of the following events and services:

- National RR Council
- National RR Executive Committee meetings
- National NRRC (National Royal Rangers Campground) committee meeting
- Budget review and account tracking
- RR products and service
- Products and suppliers for camps and events

Please welcome our new staff members as you talk to them on the telephone or when you see them at local and national events.

National Royal Rangers Executive Committee Reaffirms Commitment to Missions

At the March national council, the national RR executive committee members adopted a proposal by David Boyd, national BGMC Coordinator, to use the BGMC materials as their missions emphasis for Royal Rangers. In the new program boys in Ranger Kids and Discovery Rangers will be able to earn achievement badges and merit awards in BGMC. In the eleventh week of each quarter, designated as make-up and/or Missions promotions, we will be using BGMC materials to educate our boys in missions around the world and the importance of BGMC. The BGMC materials are now available for the commanders and will be promoted in the High Adventure magazines.

The Light For The Lost Junior Councilmen program and LFTL banquets will continue to be extremely important to the Royal Rangers ministry. The boys in Discovery, Adventure, and Expedition Rangers will be challenged to become LFTL Jr. council members and to attend LFTL banquets. Royal Rangers will continue to promote the importance of LFTL and becoming a councilmen to help our missionaries spread the gospel of Jesus Christ through literature.

Partnering with LFTL and BGMC, the Royal Rangers ministry now has a stronger "MISSIONS" support arm.
