The Success of Camporama DEPENDS ON YOU!

We have all heard many statements such as:

- "Success rises and falls on leadership."
- "A great leader leads by example."
- "A team player understands the importance of every team member."

From a boy's perspective: "Having a once-in-a-lifetime adventure depends on you—his commander!"

I've been blessed to travel all over the U.S.A. and in many foreign countries on behalf of Royal Rangers Ministries. If I selected the single most memorable experience that boys and leaders talk about, it would be National Camporama. You only have to watch the Camporama videos to hear the comments from both boys and leaders. It is truly a once-in-a-lifetime adventure!

National Camporama is like no other event. With participation of Rangers from every state in the U.S.A. and many foreign countries, we anticipate more than 6,000 campers. If we include visitors, there will be more than 8,000 in attendance! The boys are amazed to see so many Royal Rangers at one location with so many different things to do. They make friends from around the country.

The RR National Championships will be held for district team and/or individual events in air rifle, archery, and Pinewood Derby. Sponsors from Daisy®, NADA (National Alliance for the Development of Archery), Brennan Industries (Genesis™ bow), Bass Pro, and many others will officiate these events.

Nationally-sponsored events and services will be BMX bikes, mountain bikes, hiking trail-walk, trams, low-climbing wall, obstacle course, and FCF-sponsored Hawk and Knife throw.

Each district is encouraged to provide an event on the Johnnie Barnes Lodge activities field using their regional theme. Some districts will be overseeing the national events. (See the JB Field layout for the possible arrangement of events and activities.)

We are in the process of constructing a commercial kitchen for Camporama, which will house a professional food service coordinator who will use professional food catering service people and others to assist in this important area. We will have the three food locations to serve the campers.

The evening services will be tremendous, including viewing of video interviews with the boys filmed during that day's activities, music and musicians specifically selected to build the Camporama spirit, and nationally-known speakers:

■ **Tom Greene** — National Men's Ministries/LFTL director is a tremendous speaker to youth. Tom will be our opening night speaker.

■ **Randy Ruiz** — Nationally renowned evangelist was saved as a Royal Ranger boy at a powwow in Southern California.

■ **Dave Roever** — Nationally-acclaimed speaker and a tremendous encouragement throughout the country and to our troops.

■ **Terry Raburn** — Pen-Florida district superintendent, former national and district youth director. Brother Raburn brings our final challenge to take back home.

■ **Bob Kilpatrick**, back by overwhelming request—live in concert! Bob is no stranger to the Christian music industry. A guitarist and composer of many well-known Christian songs, it is our delight to be able to have Bob Kilpatrick live on Thursday evening.

THE ADVENTURE

*Exploring God's Plan
For Our Lives*

Commander, let me encourage you to start planning now. Don't wait until it is too late. District Camporama coordinator, provide your district executive committee and

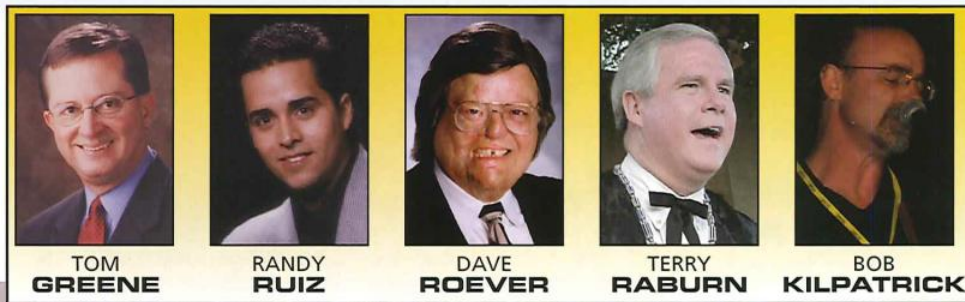

sectional staff with the promotional materials to go and meet with every outpost and promote attending this once-in-a-lifetime event!

Remember to put it into a boy's perspective:

"Having a once-in-a-lifetime adventure depends on *you*—his commander! We all share

the responsibility to provide each boy that opportunity. Hoorah!
