

Rangers of Hope

The devastation that has come from the recent hurricanes have Royal Rangers groups looking for ways to help those in need. After seeing the news coverage, the Royal Rangers in Outpost 279 (Lighthouse Church in McHenry, Illinois) decided they wanted to help the Rangers in Puerto Rico somehow. After praying about what to do, they agreed they would like to raise money to cover the charter fees and curriculum costs for the 17 Royal Rangers outposts in Puerto Rico. They have begun raising money and are getting help from several others. The charter fees and curriculum costs for a year for these outposts come to \$5,130. If you would like to help bless the Royal Rangers in Puerto Rico by helping to cover their charter fees and curriculum costs, please send your check to the national office made out to National Royal Rangers and place "098049 Rangers of Hope" in the memo line. All of the funds sent in will be used to bless the Rangers in Puerto Rico.

Karl Fleig

National Director, Royal Rangers USA
