

Next Three Months in Training

April 22, 2019

The first quarter of national training was busy, but nothing like what the 2nd quarter has scheduled. In May, for the first time ever, we have a combined NRM/NEEC pilot camp in Springfield, OR. Both camps will be held simultaneously at Lakeview Camp. Check out our website for more information.

Don't let a camp get canceled because you were waiting to see if it is a "GO." You could be the one to make it happen. Register now!
