

Next Three Months in Training

September 2, 2019

We are two-thirds of the way through the 3rd quarter of national training. If you are interested in attending one of the NRMCS being held at the end of this month, please go to our website and register.

So, what remains for 2019 and early 2020? We have six training events from October through January. Yes, I know January is not part of the 4th quarter, but those two events happen just after the start of 2020. Notice they are both in the South, which is not a bad place to train in the winter. If you are an organizational leader, check out November. We have two JBEIs that month.

You've heard me say over and over that we hate to cancel national training events. Typically, event cancellations happen only because we don't get enough trainees to sign up. The decision for "Go" or "No Go" for the camp usually happens just after the advertised discount deadline. Don't wait to see if your event is a "Go" before you register? You could be the one to make it happen. Register now!
