

Mark Your Calendar – Cyber Monday

October 30, 2019

The holiday season is quickly approaching when you may or may not spend a great deal of time looking for the perfect gifts for the people in your life. If Royal Rangers bling is something on their list, then we are your one-stop shop. Remember the Black Friday – Cyber Monday sale will be here in less than a month. It will give you the perfect opportunity to check some items off your list.

How will you know what is on sale before the big weekend? Watch your email, look for Facebook posts, and check out the national website. Who knows, you may score big with your purchases on the upcoming sale.

Each year there are different items marked down for the big weekend. For example, last year one of our more popular items was the Royal Rangers drawstring backpack because it made an excellent gift for both boys and men.
