

All I want for Christmas: Camporama

November 26, 2019

When fall changes to winter, children begin dreaming of the wonders of Christmas. For some, this involves an annual Christmas program at church. Others dream of the annual visit to grandma's house. Who are we kidding, they, of course, dream of what could be under the tree bearing their names.

Parents and grandparents often wonder what gift should be given this year that has a lasting impact? Family members want to get the most for their hard-earned dollar. Yet so many have seen the "perfect gift" get unwrapped only to be set aside in favor of playing with the box it arrived in.

This Christmas why not make a young man's dream come true while giving a gift of eternal impact?

Boys around the world dream of the ultimate event for guys, which takes place every four years in Southwest Missouri. This camp features tons of activities boys love, time with friends, great food, and most importantly powerful Christ-centered services. Yet, for most boys, dreaming of this camp is all they can do because the cost makes it out of reach.

That's why Royal Rangers has made it possible for you to **Give the gift of Camporama** this Christmas. By clicking [here](#), you can pay the registration fee for a young man in your life, which will allow him to register for Camporama in July 2020. It's never been easier to make this the best Christmas ever. This promotion is available Dec 1-17, 2019.

Here's how it works:

1. A generous individual orders "The Gift of Camporama" (item #729446). During the purchase process, the recipient's shipping information is entered as the recipient and shipping address.
2. A certificate with a unique coupon code and the instructions on how to redeem the registration gift is placed in a nice gift tin and shipped to the address you specify (**NOTE:** Orders after December 13 are not guaranteed to arrive before December 25)
3. The young man (with the help of a responsible adult) will use that coupon code to register for Camporama.

Can you imagine the excitement that would build inside this young man? Can you see the kind of spiritual impact this event could have on shaping him to become all God wants him to be?

Don't delay, click [here](#) now to Give the Gift of Camporama to a young man in your life.
