

## Camporama Video Contest

# Camporama Video Contest

*November 26, 2019*

Share your story about your preparations for National Camporama and win a late-night pool party. Create a video with your outpost about your fund-raising efforts, preparations, or plans and upload it to the video platform of your choice (YouTube, TikTok, Vimeo, etc.). Then send us a link to be included in this contest. Be creative! Have fun! Let's spread the word about National Camporama!

Send a link to your online video to [Rangers@ag.org](mailto:Rangers@ag.org) by February 1, 2020, to be considered. Include "Camporama Video Contest Submission" in the subject line. Winners will be announced on February 14.

Videos must be at least 2 to 5 minutes in length and contain all original work, created by you. Once received, a waiver will be sent to you to obtain your permission to use your video online. The creators of the best three videos chosen will receive a **late-night pool party at Camporama with pizza and ice cream for up to ten people.**

Share your story with the world as you get ready for National Camporama!
