

National Weekly Prayer

June 10, 2020

Royal Rangers leaders, you have a mission! Come join Royal Rangers national ministry leaders from across the country for an hour of prayer! We ask everyone to invite five friends to join us. Also, Expedition Rangers are encouraged to attend!

Join us as we pray for our nation, Royal Rangers, our churches, our fellow leaders, and much more! Let's get leaders from every state represented!

The Communications & Outreach action team began this weekly online prayer meeting during the recent COVID-19 shelter in place order. Rob Bennett, Northwest region communications & outreach coordinator, is inviting you to this weekly scheduled Zoom meeting.

Many leaders have been encouraged and refreshed during this time of prayer with other Royal Rangers leaders. Geno Plares, from the Northeast Region, joined this meeting several week ago and said, "As a Physical Therapy Assistant working in a VA hospital, work can be very taxing and worrisome. I have had a few close calls of being exposed to the virus. The Lord has been good. I look forward to the Ranger Leader's weekly prayer meeting as I am refreshed and my soul is spiritually renewed. I hope more can join us each week."

If you want to join each week, follow the instructions below.
