

# Next Three Months in Training

*June 10, 2020*

The 2<sup>nd</sup> quarter of national training was sadly nonexistent due to the Covid-19 pandemic. All national training for April, May, and June had to either be cancelled or postponed. July is quiet regarding training as it would have been National Camporama. However, August and September are a different story. In those two months, we have scheduled four WCO's, two NRMC's, one NEEC, and the National/Advanced Academy.

Due to the varying effects of the pandemic across our nation, our venues are responding differently. Some venues are open for business while others are still silent with no indication when they will open. I want to encourage you to sign up for the national training events that you are interested in. If a camp or conference gets cancelled, full refunds or transfers to another camp or conference will be offered. Please do not wait until an event is a "GO." It is possible that a venue is up and running, but we must cancel due to insufficient registrations.

Keep an eye on the national training website as we continue to update it. Don't let a camp get canceled because you were waiting to see if it is a GO. You could be the one to make it happen. Register now!
