

Royal Rangers NSSP Ambassador

July 2020

The Royal Rangers National Shooting Sports Program (NSSP) is starting a new NSSP Ambassador program. Applicants must be Expedition Rangers under 18 years of age at the time the application is submitted. The NSSP National Ambassador will serve a single one-year term running from August 1 through September 31 of the following year. Applications must be submitted no later than July 31, 2020, to the NSSP Coordinator Darell Freeman at (dare2bfreeman@gmail.com).

The NSSP Ambassador needs to be active in shooting sports and NSSP related events. He will have an opportunity to attend national events on behalf of the NSSP, representing Royal Rangers. Events may include the NRA national meeting, Royal Rangers LEAD Conference, Camporama, the SHOT Show in Las Vegas, and other events that may come up during his term. The NSSP will pay for the ambassador's expenses to attend these events.

This is your opportunity to be the first NSSP Ambassador. For qualifications and the application process, check out our website at theNSSP.org and click on the links for how to apply to be an ambassador and for the application.
