3rd Quarter 2021 Training Schedule

It is already mid-May? What? This year is flying by. Our second quarter of training saw three WCOs in New York, Oklahoma, and Puerto Rico, one NEEC in Pennsylvania, one JBEI in North Carolina, and the National-Advanced Academy in Southern Missouri get the “GO.” That’s not too shabby if you ask me.

The remainder of the summer is rather light on training, but September makes up for lost time. Interested in one of these WCOs or the NRMCs being offered, then register early. No wait, register NOW! I will continue to beat this drum. If you are interested in attending a national training event, please register early. If the event gets cancelled or postponed, you have no financial risk.

July
