Dear Royal Ranger Leader:

Congratulations! You have successfully completed Section II of the Royal Rangers Leadership Training Course. You are now at the halfway point in your training--two more sections and you will be eligible to wear the Leader's Medal of Achievement.

We want to encourage you to continue the good work you have been doing as you complete the Section III of the training course. Enclosed is your graded test from Section II.

As per your request of March 4, we have instructed the Gospel Publishing House to forward your pins to you and charge you direct.

We certainly appreciate your efforts to improve your leadership ability and the work you are doing with your boys. May the Lord continue to bless you.

Dear Commander:

You have successfully completed Section III of the Royal Ranger Leadership Training Course. Congratulations! Only one more section to complete before you are eligible to wear the Leader's Medal of Achievement.

We wish to thank you for your keen interest in boys and your desire to help boys. This interest and desire has shown itself in your determination to better equip yourself, through training, for the task of reaching, teaching, and keeping boys for Christ. May we encourage you to use this same determination as you complete Section IV, which is enclosed along with your graded test from Section III.

We have instructed the Merchandising Division of the Gospel Publishing House to forward your pin to you and charge it to you through your church so you may receive it without delay.

May the Lord continue to bless you as you work for Him.

Congratulations on your completion of Section IV of the Leadership Training Course. You have now completed the first phase of the Royal Rangers training program and are eligible to wear the Leader's Medal of Achievement.

We have instructed the Gospel Publishing House to forward your camping pin and Leader's Medal of Achievement to you and charge them to you through your church.

The second phase of the Royal Rangers training program is the Advanced Training Course. We are enclosing a copy so that you may continue your training. We are sure you will do the same outstanding work on this course as you did in completing the Leadership Training Course.

Attending a National Training Camp is the third phase of training for Royal Ranger leaders. Several of these camps are held each summer. If you haven't already attended a camp, we recommend that you attend one as soon as possible. It will be an experience you will never forget.

May we express our appreciation for your efforts in behalf of Royal Rangers and also for your diligence in completing the Leadership Training Course. We also want to thank you for your fine offering. May God richly bless you in all your endeavors for Him.
