

ROYAL RANGERS

Assemblies of God Boys Program

JOHNNIE BARNES
National Commander

1445 BOONVILLE AVE.
SPRINGFIELD, MO. 65802

PAUL STANEK
National Promotional &
Training Coordinator

Dear Commander:

Choice Christian greetings!

This is your personal invitation to attend a Royal Rangers National Training Camp. These camps are designed to give you the very best of training for all phases of the Royal Rangers program, with the major emphasis on camping.

As a member of an NTC patrol, you will be caught up in the excitement of the patrol spirit which will include competition, activities, and projects. You will no doubt begin friendships with other Commanders that will last a lifetime.

You will participate in an outstanding camping adventure. Living in tents, cooking over fires, hiking, backpacking, enjoying outdoor fun, sharing council fires--these are some of the activities that will make this a camping experience you will never forget!

The average cost of the camps will be about \$35.00. In order to reserve a place for you in one of these camps, it is necessary for you to fill out the enclosed application form and mail it along with a \$15.00 registration fee to our office. The attached application form also lists dates and locations of the camps. Since we must limit each camp to 64 men, we encourage you to send in your application just as soon as possible.

Attending NTC is one of the greatest investments you can make! We therefore urge you, if at all possible, to take advantage of this opportunity. If you would like to recommend other leaders in your group to attend NTC, send us their names and we will be glad to send them an invitation and application form.

Hoping to receive your application real soon!

"READY" in His service,

Johnnie Barnes
National Commander
