4.	BECA 2018	<p>Vpsl – sent email about this conference – we've been invited that last couple of years. Do we want to attend if invited this year (ie. sponsored by MacEwan)? Not sure how relevant it is for us.</p> <p>Pres – not sure it's worth paying for. It was interesting, but don't think it's something that needs to be attended.</p> <p>Vpe – have heard that it's not something that expanded our knowledge.</p> <p>Vpsl – there are other, better, opportunities for us over this one.</p> <p>Vpa – doesn't cost too much to attend – could be useful.</p> <p>Pres – wouldn't be bad to attend – it's right on campus. There are some good people presenting.</p> <p>Vpsl – makes most sense for Vpa &amp; Vpsl to attend.</p>	
5.	Projector	Vpa – wondering if it would be good to purchase a small projector to have for our retreats, etc. Good investment for future use.	Action: Vpa to price out and purchase small projector.
