

## LOOK AT US NOW

Music and Lyrics by  
Bobby Cairns

*W*

ELCOME TO OUR NEW CAMPUS, many  
dreams made it happen  
come on and join the party!

Look at us now, Great Walls around us,  
finished at last

we're set to show you the way  
See us today!

(looking ahead, Lets Go Now!)

Look at us now, there's true excitement  
modern ways new tools to help find  
your way

See us today!

Grant MacEwan, your Learning Centre

Grant MacEwan, new doors to enter  
and view

it could happen to you!

Look around you can feel it; a burning  
passion that's still around us

feeling safe that we're right were we  
belong.

Look around you can feel it, a zest for  
knowledge is all around us.

We know now that our goals are just  
ahead

We're just filled with pride that runs  
deep inside,  
there's a history that cannot be denied.

Look at us now, see dreams unfolding  
Look at us now and start remolding

your mind

don't leave knowledge behind  
(Look to the future)

Look at us now for Arts & Music  
History reveals our methods create the  
best,

no one's equalled the test.

Grant MacEwan, your Learning Centre

Grant MacEwan, new doors to enter  
and view

it could happen to you.

Look around you, can feel it  
brand new ways to fulfill your passion

High tech methods that help to reach  
your goals  
Look around, you can see it  
students focussed on forward thinking  
planning now for a future they'll control  
We're just feeling free just to think of me  
Just to look at ways my life can be  
expressed

Look at us now its all here for you  
knowledge and recreations' part of your  
day

balanced learning with play.  
Look at us now your healths' important  
our Centre for Sports and Wellness now  
leads the way  
come and see it today.

Look around you can see it, a brand new  
setting that's so appealing  
built with pride standing strong  
we lead the way.

Look around you can feel it, a Learning  
passion that's deep inside us  
feeling safe that we're right where we  
belong

We can strive to be what we want to be  
there is more to live than living to survive.
