

FALL FEST 2026
SPONSORSHIP PACKAGE

WHO WE ARE

The Students' Association of MacEwan University (SAMU) is a non-profit organization working independently from MacEwan University to support students. Our purpose is to enrich the student experience by focusing on their non-academic needs through an array of student-driven programs and services.

We are governed by elected student representatives who set the strategic vision on behalf of students. With support from over 60 full- and part-time staff, we keep our mandate student-focused to achieve the vision. SAMU is proud to be an organization serving students, inspired by students.

Fall Fest is the largest event that SAMU hosts. The event includes activities, live music, food trucks, a beer garden, and exhibit space for a select few organizations.
