BHA Summer Term

The summer term commenced with a refurbishment of the School Office and Administration area. There will be some adjustments to certain administration functions consequently, however, we anticipate that these teething issues will settle down quite quickly. We kindly request parents to cooperate with admin staff during this settling in period.

We also aim to develop the facilities further during summer term so look out for updates and news on these during the term.

Ramadan starts shortly and as per previous years we will be adjusting the timetable accordingly, these adjustments will be advised shortly to parents.

Finally, thank you to our excellent PTFA for organising a superb Teachers Lunch at the beginning of this term, the food was excellent and helped raise valuable funds for our students and resources for the school.
