Proposal to establish a new Voluntary Aided Primary School

NOTICE is given that the Governors of Barnet Hill Academy, 10a Montagu Road, Hendon, London NW4 3ES intend to establish a new Voluntary Aided School and Nursery under section 11(1A) of the Education and Inspections Act 2006 as amended, and the School Organisation (Establishment and Discontinuance of Schools) Regulations 2013. The school is currently independent.

It is intended that the proposal will be implemented with effect from 1 September 2026.

The school and nursery will be conducted in accordance with the ethics and principles of the Islamic faith. The proposed school and nursery will have an Islamic religious character and it is confirmed that the proposer intends to ask the Secretary of State to designate the school and nursery as a school and nursery with such a religious character.

The new school and nursery will cater for boys and girls between the ages of 3 and 11. It is proposed that the opening of the school be implemented in stages, from 2026/27 through 2033/34, to eventually provide places for 420 pupils across Reception to Year 6 at its fullest capacity by the end of that period. In admissions, preference will be given to Muslim Children.
