# Barnet Hill Academy is delighted to announce the successful application to Barnet Council as a Voluntary Aided School

**Over the course of some 3 plus years the Governors, Principal and entire school staff have worked incredibly with its stakeholders, parents and local community to establish what will be the only Islamic faith, state-funded school in the London Borough of Barnet and the eighth only Islamic V.A. school in all of England!**

We would like to take this opportunity to thank all of our supporters and stakeholders and in particular Hendon Mosque and Islamic Centre who have been supportive throughout and continue to support the educational ambitions of Barnet Hill Academy.

To mark the success we will be holding a series of events to raise awareness of this incredible achievement and welcome our local community and stakeholders to participate and engage in continuing to ensure that Barnet Hill Academy continues on its successful path forward in helping our young people attain the highest levels of Faith, Excellence and Knowledge!
