

Arabic Summer 1

Barnet Hill Academy
FAITH • EXCELLENCE • KNOWLEDGE

Ms Rawshan

Year 1

In Year 1, during Summer Term 1, we are learning simple Arabic words for things in our classroom. We practice words like desk, pencil, book, chair...etc. We will use these words in short sentences to help remember them. We are also learning to read and write the Arabic alphabet, which will support our understanding of these new words.

Year 2

This term, we are learning about jobs in Arabic. We will name common jobs and understand the difference between masculine and feminine forms. We will also practice asking simple questions about these jobs. Our aim is for everyone to feel more confident discussing different careers in Arabic.

Year 3

In Year 3, we are exploring the five senses. We will learn to talk about our senses and describe how we experience the world around us. We will also practice asking questions related to our senses while developing our grammar skills. By the end of the term, we will feel more confident expressing our thoughts and curiosity about the world through our senses.

Year 4

In Year 4, we are learning about different jobs in Arabic. We will practice naming common professions and understanding the difference between masculine and feminine forms. We will also learn to ask simple questions about these jobs to improve our speaking skills. By the end of the term, we will feel more confident talking about various careers in Arabic.

Year 5

In Year 5, we are exploring the topic of "My School." We will learn to describe different places and activities within our school, such as classrooms, the library, and the playground. We will also practice asking and answering questions about our school experiences. By the end of the term, we will feel more confident discussing our school environment in Arabic.

Year 6

In Year 6, we are learning about Ramadan. We will explore the significance of this special month, and the traditions associated with it, such as fasting, prayer, and giving to charity. We will also practice using new vocabulary and phrases related to Ramadan in our conversations. By the end of the term, we will feel more confident discussing Ramadan and its importance in Arabic.
