

Nursery Autumn 2

Barnet Hill Academy
FAITH • EXCELLENCE • KNOWLEDGE

Litteracy

As **Readers**, our focus will be on phonics phase 1, Aspect 3 and how to develop awareness of sounds and rhythms.

As **Readers** We will listen to stories and recall some features of the story, such as who and where.

To handle books with care, ensuring they are tidied away neatly.

Join in with actions and words during rhyme time.

ISLAMIC Etiquette

As **Theologians**, this half-term we will be focusing on, and learning our dua when starting carpet time.

Expressive ART & DESIGN

As **Artists**, we will be focusing on colour mixing.

We will be learning how to make different autumn colours using powder and liquid paints.

We will then be creating our own autumn themed art work.

PHYSICAL Development

We will be taking part in regular dough disco sessions in order to develop our hand strength.

We will also be taking part in daily fine motor skills challenges such as threading, using hole punches and drawing patterns.

MATHS

As **Mathematicians**, we will be focusing on one number per week (4-5) and beginning to develop their mathematical knowledge and vocabulary. For each number we will learn what each numeral looks like, how it is formed, its name.

We will also be thinking of different ways to measure objects, sorting and comparing size of different items..

PERSONAL, SOCIAL & EMOTIONAL

As **Global Citizens**, we will learn how to cooperate respectfully with others and share toys and resources using taught strategies.

We will also encourage children how to become more resilient and persevere with tasks they find challenging.

LANGUAGE & COMMUNICATION

As **Confident Communicators**, we will engage with lots of different stories. During story times and within our class reading area.

We will be encouraged to listen carefully to rhymes, songs and learn new vocabulary.

We will participate in discussions during our circle time and present during sharing times.

UNDERSTANDING of THE WORLD

As **Thinkers**, we will be exploring several questions related to Autumn. How is the weather changing?

What is happening to the plants and trees?

We will be learning about hibernation and how animals prepare for the winter.
