

Reception Topic Web Spring 2

Ready steady grow

Parent information:

This project teaches children about food and farming and explores themes, including where food comes from, what plants and animals need to grow and survive and what constitutes a healthy lifestyle.

Children to understand habitat is a place where living things live. Local habitats include woodlands, gardens and ponds. Other habitats include hot places, such as deserts, and cold places, such as the Arctic.

Children to observe and describe living things and their habitats within the local environment.

Literacy:

Demonstrate understanding of what has been read to them by retelling stories and narratives using their own words and recently introduced vocabulary.

The topic books this term:

No Dinner! /By Jessica Souhami

Through the magic mirror /By Anthony Browne

Little Beaver and the Echo/
