

Our Half-Termly Topic is

Let's Explore

English

As **Writers**, we will be writing labels and simple sentences we will be beginning to use finger spaces, capital letters, with full modelling and support from the teachers.

As **Readers**, we will listen to and talk about selected fiction and non-fiction books to develop a deep familiarity with new knowledge and vocabulary. We will be looking at books and share stories by describing the characters, events and settings in stories that have been read using recently introduced vocabulary.

Maths

As **Mathematicians**, we will be looking at one more and one less than consecutive numbers to 5. We will also be looking at the composition of numbers from 1-5.

To develop Spatial reasoning children will be provided to replicate simple constructions, models, real places and places in stories.

Islamic Studies

As **Theologians**, we will be studying Allah's amazing creations and the wonderful gifts He's given us. We will learn about being kind to each other, taking good care of animals and plants. Our main goal is to figure out how to thank and praise Allah for all the amazing things He's given us. Alongside this, we will be dedicating time to memorize Surat Mauzatain as it holds special significance in guiding me towards the principles of my religion

Personal, Social and Emotional

Lets Explore project, explores our feelings and how we can help ourselves and others. We will be learning about the importance of kindness and helping each other. Children will be able to express their feelings and consider the feelings of others

Understanding the world

As a young learner, we will be learning about the world around us and changes in the seasons. We will also be exploring maps by building simple maps and mapping out simple journeys.

Art and Design

As **Artists**, we will explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function.

Language and Communication

As young communicators, we will be Articulating our ideas and thoughts in well-formed sentences and describe events using some detail. Learning new vocabulary and using them in our daily conversation. We will be developing our communication and listening skills through paired talking, games and story times.

Physical Education

As **Athletes**, we will be developing our skills in manipulation and coordination. Our focus this term will be on balancing and jumping. We will be taking part in a variety of activities individually and with others. We will be playing cooperatively.
