

Year 2 Uhud Class

Spring 2

Barnet Hill Academy
FAITH • EXCELLENCE • KNOWLEDGE

ENGLISH

As **Writers**, alongside our daily discrete reading, we will be covering in English lessons: traditional tales, Letter writing, Vocabulary Building. We will be focusing on Comprehension skills.

We will continue to focus on improving our handwriting.

As Readers, we will be exploring the book The Man on the Moon and Lonely Beast.

MATHS

As **Mathematicians**, we will develop understanding of multiplication and division, measurement in length and height, capacity and weight. We will use standard units of measure and apply their skills of measuring and recording in a wide range of familiar contexts. We will learn the vocabulary we will need to compare and order measurements and develop our reasoning skills through solving practical problems.

SCIENCE

As **Scientists**, we will find out about uses of Everyday Materials. We will learn how to identify and compare the suitability of a variety of everyday materials. We will also learn how the shapes of solid objects, made from some materials, can be changed.

ISLAMIC STUDIES

As **Theologians**, we will be learning about the stories of the prophets Hud (a.s.) & Salih (a.s.) and the lessons we can learn from them.

GEOGRAPHY

As **Geographers**, we will

Identify and locate characteristics of the UK on a map.

Identify human and physical features.

Locate human and physical features on a world map.

Explain the difference between oceans and seas.

Collect data by sketching findings on a map and completing a tally chart.

PSHE

As **Global Citizens**, we will be learning about Families and Friendships, Safe Relationships, and Respecting Ourselves and Others.

DESIGN & TECHNOLOGY

As **Designers**, we will be constructing and designing a chair for Baby bear.

We will be exploring the concept and features of structures and the stability of different shapes.

We will make a structure according to design criteria.

We will produce a finished structure and evaluate its strength, stiffness and stability.

COMPUTERS

As **Computer Scientists**, we will focus on our typing skills. We will be understanding various aspects of using a computer to create and change text. We will familiarise ourselves with typing on a keyboard and begin using tools to change the look of our writing, and will consider the differences between using a computer and writing on paper to create text.

PHYSICAL EDUCATION

As **Athletes**, we will explore the principals and skills of Group games.

We will learn to master basic movements including passing and receiving, as well as developing balance, agility and co-ordination, and begin to apply these in a range of group-based activities.
